ABOUT US

Honesty, sincerity and hard work always pays. In fact, with this vision Late **Mr. Allah Bakash**, the founder of **Quality Group of Industries**, worked all through his life. Beginning as an ordinary worker, Late Allah Bakash soon shot into prominence for his skills in Electroplating. He ventured into the manufacturing career at a tender age, some 45 years back and involved himself in the manufacture of extra - fittings and electroplated components for two - wheelers, basically motorcycles.

His industry namely, **M/s. QUALITY METAL INDUSTRIES, CHENNAI (INDIA), founded in 1967** became the pioneering suppliers of Electroplated components and extra - fittings for two- wheelers all over India under the registered brand name of "**QUALITY**". It has established an enviable reputation as a leading source of electroplated items for two- wheelers, especially **BULLET, YAMAHA, JAWA, HONDA & BENELLI**.

For more than four decades the **QUALITY** products have been leading the way to innovation and to new ideas. Its reputation for high quality and prompt service has allowed it to create a system of excellent product development and efficient customer service. That is why, Quality is always way ahead of other manufacturers and competitors.

'**QUALITY**' brand is a popular name in the markets of India. The products have an ever increasing demand in the length and breadth of the country and have also reached the overseas markets through our distributors and dealers.

Today **M/s. QUALITY METAL INDUSTRIES** manufacture and market every kind of electroplated extra-fittings and components for motorcycles (list has more than 600 + items). It has a wide market network with distributors, dealers and retailers in all the towns and cities of India.

QUALITY extra-fittings and accessories are already in the foreign markets via our distributors and dealers and our survey has found that they have been enjoying a very healthy and stable market as we are the original manufacturers of two-wheeler electroplated extra-fittings and accessories, foreign buyers would be interested in procuring fresh, original and reasonably priced **QUALITY products**.

After the death of its founder, Mr. Allah Bakash, in the year 1996 the management and affairs of Quality group of firms are looked by **his sons (Mr. A.Abdul Rafi, Mr. A.Riyaz Ahmed, Mr. A.Rizwan Ahmed)**. The growth of business for the group has been very impressive in the last decade. In electroplating business the industry has been able to carve out a special place by virtue of high quality work and skillful techniques. So, not only sales registered phenomenal increase but the job-labour of Electroplating also received a big boost in its quantum and turnover. Our success and big confidence in the local market in India.
